

**TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE**

FISCAL NOTE

SJR 508

February 6, 2014

SUMMARY OF BILL: Proclaims March 22, 2014, as Lynch Syndrome Hereditary Cancer Day in Tennessee and encourages all citizens to learn more about the causes and symptoms of Lynch syndrome and support improvements in diagnosis, treatment, and quality of life.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumption:

- This day shall not be a legal holiday as defined in Tenn. Code Ann. § 15-1-101. Therefore, the fiscal impact to state government is not significant.

CERTIFICATION:

The information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, appearing to read "Lucian D. Geise".

Lucian D. Geise, Executive Director
